FIDIC's 2017 vs FIDIC's 1999 Conditions

FIDIC's standard forms are immensely popular in many parts of the world. To what extent are the 2017 conditions an improvement upon the 1999 conditions? To what extent are they a step backwards?

Panel Chair

Aisha Nadar *Advokatfirman Runeland; Member FIDIC Board ; Co-Chair, Dispute Resolution Subcommittee, IBA International Construction Projects Committee*

Panellists

Siobhan Fahey *FIDIC Contracts Committee, Dungarvan, County Waterford, Ireland*

Philip van Rensburg *Van Rensburg Mabokwe Incorporated, Johannesburg*

1020 – 1040 Coffee/tea break

1040 – 1140

Defects liability periods (and the like): what are the pitfalls?

Construction contracts often provide for contractors to have the duty and the right to correct defects for a specified period after completion. However, difficulties arise as to the parties' duties and rights during that period – as well as what their duties and rights are after that period. The panel will discuss these difficulties from international perspectives and will present for discussion with delegates a checklist to help those who draft (and those who bring claims under) construction contracts.

Panel Chair

Ziya Akinci *Akinci Law Office, Istanbul*

Panellists

Ulrich HageI *Bombardier Transportation, Berlin*

Ahmed Ibrahim *Fenwick Elliott, Dubai*

Spring Tan *Withers KhattarWong, Singapore*

1140 – 1300

Smart contracts: how might technology disruption change construction contracts as we know them?

Technology disruption is affecting construction methods and practices. It is also set to impact how construction contracts are drafted, and how issues under them are addressed. This panel will describe what is already happening and what else may happen in the future.

1300 – 1400 **Lunch**

1400 – 1530

The importance of the applicable law. How far do lawyers from civil law and common law backgrounds view the same construction law issues differently?

Following the popularity of this session at the previous edition of this conference, delegates and panellists will work through a new case study explaining how they view the same construction law issues. This interactive case study will seek to highlight issues that are particularly affected by the applicable law.

Panel Co-Chairs

Rouven F Bodenheimer *Bodenheimer Herzberg, Cologne/ Berlin; Membership Officer, IBA International Construction Projects Committee*
Rupert Choat *Atkin Chambers, London*

Panellists

Elina Mereminskaya *Wagemann Lawyers & Engineers, Santiago*

Sudip Mullick *Khaitan & Co, Mumbai*
Suzannah Newbould *DLA Piper, Dubai*

1530 – 1550 **Coffee/tea break**

1550 – 1650

Hardship laws in times of uncertainty: when might contractors successfully rely upon such laws?

Many legal systems provide for construction contracts to be altered when unexpected circumstances place undue hardship on the contractor or significantly alter the economic equilibrium of the contract. Panellists will discuss lessons from cases where relief against hardship was granted – and therefore when parties to construction contracts might expect relief where hardship laws apply.

Panel Chair

Sharon Vogel *Singleton Urquhart Reynolds Vogel, Toronto, Ontario*

Panellists

Nagla Nassar *NassarLaw, Cairo*
Marlon Shigueru Ushiro Ieiri L O Baptista, São Paulo
Wei Sun *Zhong Lun, Beijing*

1650 – 1750

The (in)applicability of liquidated damages for delay and the relevant factors that drive their reduction in many jurisdictions

Liquidated damages provisions should give parties certainty as to the compensation payable when the completion of a project is delayed. Panellists and delegates will discuss common scenarios, including whether liquidated damages apply if a contract is terminated and when an extension of time is denied owing to non-compliance with a time bar provision. The different answers obtained under different applicable laws will be explored.

Panel Chair

Roberta Downey *Hogan Lovells, London*

Panellists

Valentine Chessa *Castaldi, Paris*
Amani Khalifa *Freshfields Bruckhaus Deringer, Dubai; Membership Officer, IBA Arab Regional Forum*

LEXOLOGY
Getting The Deal Through

0830 – 1230 **Registration**

0900 – 1020

The IBA Rules v the Prague Rules in construction arbitrations

The IBA Rules on the Taking of Evidence in International Arbitration have been around since 1999. They are said to reflect common law practices. The “Prague” Rules on the Efficient Conduct of Proceedings in International Arbitration were issued in December 2018. They are said to offer a more civil law based alternative to the IBA Rules. This debate will consider the advantages and disadvantages for construction arbitrations of the IBA Rules versus the Prague Rules.

Panel Chair

Michael Schneider *Lalive, Geneva*

Panellists

Chiann Bao *Arbitration Chambers, Hong Kong SAR*

Minas Khatchadourian *Qatar Chamber, Doha*

Justin Mort QC *Keating Chambers, London*

Andrey Panov *Norton Rose Fulbright, Moscow*

1020 – 1040 **Coffee/tea break**

1040 – 1140

Arbitrator selection: ethics and considerations

What should be considered when selecting tribunal members for construction arbitrations? The panel will present for discussion with delegates a checklist to assist users of construction arbitration.

Panel Chair

Michael W Bühler *Jones Day, Paris*

Panellists

Luis M Martinez *ICDR, New York*

Andrea Meier *Wartmann Merker, Zurich*

Sevag Panossian *Consolidated Contractors Company, Athens*

1140 – 1300

Prospective v retrospective assessments under construction contracts

It is said that assessing extensions of time and additional payments on a prospective basis favours contractors, while assessing them on a retrospective basis favours employers. The panel will consider the extent to which this is true and, where there is a choice between the two, which is to be preferred by the deciders of disputes.

Panel Chair

Sir Antony Edwards-Stuart *Crown Office Chambers, London*

Panellists

Julian Bailey *White & Case, London*

Sarah B Biser *Fox Rothschild, New York; Co-Chair, Dispute Resolution Subcommittee, IBA International Construction Projects Committee*

Conference sell-outs

The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving registered delegate cancellations. The waiting list for a conference will close once it has reached 10% of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

Cancellation of registration or social functions

If cancellation is received in writing at the IBA office by **4 October 2019**, fees will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA.

We regret that no refunds can be made after this date. Registrations or social function bookings received after **4 October 2019** will not be eligible for any refund of fees. Please note that **NO** exception will be made to this policy. Should you have difficulties in obtaining your visa and are not able to attend the Conference this cancellation policy will still apply.

Upon submission of your completed Conference registration form to the IBA you are considered 'registered' pending payment. Please note that the cancellation terms and conditions as indicated will apply as soon as your registration is received.

Provided you have cancelled your registration to attend an IBA conference in accordance with the terms of the 'cancellation of registration' clause included in the 'Information' section of the relevant conference programme, you must then confirm to us in writing at the IBA office as soon as possible, but in no event later than one year (12 calendar months) from the date of any such conference, all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant conference.

Travel arrangements and visas

Participants are responsible for making their own travel arrangements.

It is recommended that you check your visa **requirements with your local embassy or consulate. We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your registration form and full payment of registration fees.**

Please apply for your visa in good time.

Cancellation and no-show policy

Cancellations may be made without penalties up to four weeks prior to your arrival date. Cancellations received after this time and no shows will be charged to the credit card given at the time of booking.

Please note that any reservation made after 4 October will be subject to availability and cannot be guaranteed at the special IBA rate.

As a limited number of rooms have been blocked at the hotel, availability cannot be guaranteed once the room block is full.

Delegates are responsible for making accommodation reservations directly with the hotel and entering into an agreement with the hotel regarding credit card guarantees, cancellation terms and conditions, and room rates (should these differ from the special IBA rate). The IBA cannot accept responsibility for hotel accommodation disputes between a delegate and the hotel.

Unauthorised accommodation agents

It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering 'assistance' with registration and hotel bookings.

They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition. The only Accommodation Agent the IBA works

with is Judy Lane ICS. Judy Lane ICS do not contact delegates on behalf of the IBA without delegates making initial contact. Please ignore any communication that does not come directly from the IBA or Judy Lane ICS.

Disabled access

The Hotel de Rome is wheelchair accessible. Please notify us if you require special assistance.
